EDUCATION

COLUMBIA COLLEGE CHICAGO

Graduated with Honors in 2005 with a BFA in Graphic Design.

EXPERIENCE

2011 - present

senior frontend developer

new york, ny

IHEARTRADIO

Collaborate with UX Designers and Product Managers to create rapid prototypes of potential iHeartRadio products for presentation to executives, as well as oversee and implement upkeep and updates to all iHeartRadio brands. Create responsive websites that work cross-platform, seamlessly transitioning from desktop to mobile to tablet.

2010 - 2011

senior frontend designer

new york, ny

THUMBPLAY MUSIC

Built the CSS & HTML infrastructure of the web-based music streaming service from the ground up. Utilized HTML5 and CSS3 to streamline the code while maintaining support for all major modern and legacy browsers. Worked as a liaison between the Product and Dev teams, utilizing my background in both design and development.

2007 - 2010

graphic designer

new york, ny

SPOSTA INC.

Created print and web campaigns for magazine publishers Condé Nast, SPIN, Smithsonian, Reader's Digest, and others. Typical projects included pdf premiums, bind-in cards, web banner ads, html emails, landing pages and microsites.

2007 - 2010

frontend developer

new york, ny

BOYLE SOFTWARE

Site design, CSS-based website construction and project management for a variety of companies including: The Oman Ministry of Tourism, Fox Mobile, AOL and Rodale. Worked closely with clients to design and develop customized sites that were user-friendly and reflected or evolved their corporate identity.

SKILLS

HTML5, CSS3, Mobile Development, Adobe Photoshop, Illustrator and Indesign
